

PhysioStim's letter

PhysioStim: Exhibition & Attendance 2008

Here we'll be!

**SPS 2008, 22-25 September,
Madison, US**

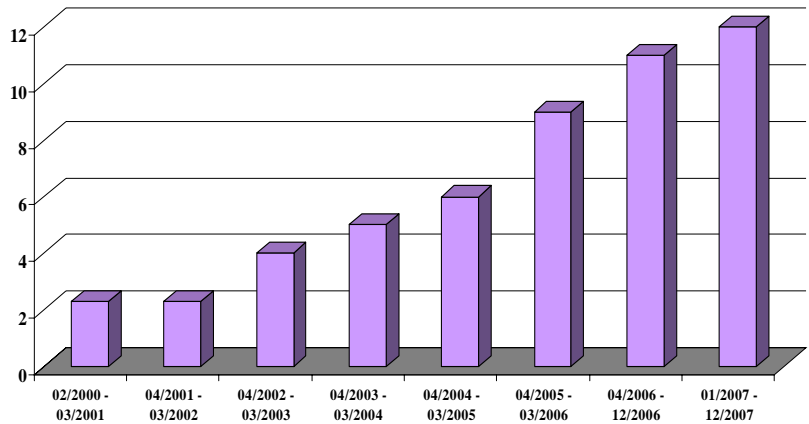

**EUROBIO 2008, 7-9 October,
Paris, France**

**... and CRO/Biotechs BIO-Connexion, 6 October, Paris, France,
BIOJAPAN, 15-17 October, Tokyo, Japan,
and BIOEUROPE, 17-19 November, Hamburg, Germany.**

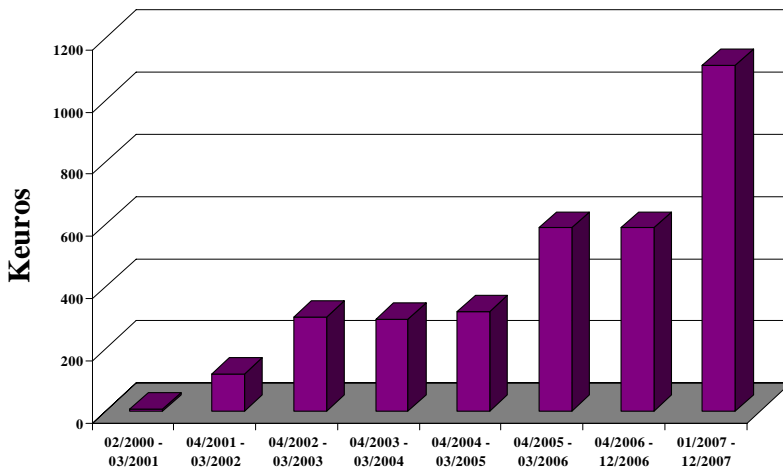

**PhysioStim keeps on developing models, know-how,
worldwide clients and represents a reliable partner in your
drug development with its GLP quality cardiac safety
pharmacological studies.**

...a few statistics...
